**Pre-Film Ad Reel Details:** Interested in our On-Screen Advertising? Before regular film screenings, we play a pre-film video for all viewers in the theatre. The video consists of upcoming shows, membership information, exciting news, and sponsors/community sponsor. In addition to our content, we rent out 10 second ads that are played within the video. As we also have live shows at our theatre, our film screening varies from month to month. For this reason, we price our ads by number of screenings, rather than by duration of time. We can provide an approximate length of time (one month, two months, etc.), but it is only an estimate, as our programming varies greatly! Alternatively, you can always purchase our “Community Builder” membership for \$1000 (annual membership), which gets you on-screen recognition year-round, and is located on our “Community Builders” on-screen slide(s)!
